

**Education-** the **enemy** on the mountain of Education is the Amorites (represent humanism). The **principality** is Beelzebub (lies). The **significant authority** is teachers and the **basic mission** is to bring in new fear-of-God based curriculum. The **revelation key** is wisdom.

## Prayer for Education

Father, we bring to You the Education Mountain. Thank You for our children and all who are engaged in learning. Thank You also for those You call and equip to teach and thank You for the freedom to attend school.

We pray that Your name would be exalted above knowledge that puffs up, and we ask You to establish Your throne in the hearts of our children. We pray that our children would be taught of the Lord and that their peace would be great.

Bless those in school administration with your wisdom that comes from above and brings peace. Grant them knowledge of Your will and courage to follow after it. We ask for school board members to be elected who hold deep knowledge of Your Word.

We ask for revival in our schools. Father, pour out Your Spirit on our sons and our daughters. We ask for a harvest of souls of both teachers and students. Cause our students and educators to experience Your love. Teach Christian students to conduct themselves in ways that honor You and give them boldness and courage to share the gospel with their peers.

We pray for our children to have a great love for learning. We pray that students will be taught respect for authority, obedience, and understanding of the Ten Commandments. We pray that parents will be involved in their child's education and recognize the importance of it. We pray that children will be taught Judeo-Christian values and taught in ways that will cause them to reach their full potential and destiny, functioning in both wisdom and revelation.

Be with the students who feel rejected. Convict the other students and teachers who ostracize and bully them. Keep violence away from every school. We pray for the protection of every student and teacher and ask You to expose any weapons brought onto school premises and render them harmless.

Lord, release Your truth into our schools. Help students to know what is right and to discern false teaching. Increase their ability to understand and think critically about the world around them. Prepare our children to impact the nation and not be influenced by anything false. We ask You to invade our schools with biblical truth and call for the intercessory prayer to undergird them.

In Jesus' name, Amen!
