

Arts/Entertainment/Sports: the enemy on the mountain is the Hivites (represent compromise). The principality over it is Jezebel (seduction). The basic mission is to model the greater creative arts of God and prophesy through them. The revelation key is glory.

## **Prayer for Art/Entertainment/Sports**

Lord and Savior, we bring before You the Arts, Entertainment, and Sporting world. Thank You, Father, for the amazing creativity and talent that You place inside of certain people. We pray for the salvation of these special artists, athletes, and entertainers. Call them to use their special gifts and talents to bring glory to Your name. Strengthen them in humility and purity. Keep them from pride and the temptation of unfair advantage. Show them how their endeavors influence and speak to the human heart. Cause them to understand their responsibility with how they influence and how they set standards for many.

You are the reason that we make music, sketch our world, dramatize its reality, and run the race. You alone place skills and gifts within us. We agree with Apostle Peter's words, "May each one of us use whatever gift he has received to serve others, faithfully administering God's grace in its various forms, so that in all things God may be praised through Jesus Christ. To Him be the glory and the power forever and ever Amen" (1 Peter 4:10-11).

Lord, may we never be guilty of hiding these talents in the ground because of fear of man. In Matthew 25, You said to take the talent from him who hid it and give it to the one who has the ten talents. May we guard the gifts that You have blessed us with and use them to the fullest degree as Your word says in 2 Timothy 1:6-7, "For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands. For God did not give us a spirit of timidity, but a spirit of power, of love and of self-discipline."

We lift up the creativity of those who write. Let their words find inspiration in You. Let their works be filled with joy and godly passion. Father, pour out Your inspirations from heaven into Your singers, poets, authors and dancers. We pray for pure sounds from Your throne room to be released in the earth.

You are love. Artists sing songs about love. We pray for artists who will write songs of Your love. For all those who bring us joy and pleasure through their artistry we thank You. We pray for Christ like influence to take over the Mountain of Arts, Entertainment and Sports and we pray in the name of Christ Jesus – Amen!

Olympics addendum: Almighty Father God, I thank you for giving certain people physical abilities in the area of various sport events. I especially pray for the born again Christian athletes training for the Summer and Winter Olympics. May they keep the balance of spiritual and physical conditioning for it is written: I Tim. 4:8 For physical training is of some value (useful for a little), but godliness (spiritual training) is useful *and* of value in everything *and* in every way, for it holds promise for the present life and also for the life which is to come. Holy Spirit hover and cover them with Your Truth and guidance. May they feel Your Glory as they exercise their talents and strengthen their focus intense training; body, soul, and spirit. Encourage them Holy Spirit when they want to give up or take a short cut. May You raise up more "Tim Teboes" who use their sport attraction as a platform for Your Glory and Honor. Open doors that no man can shut and close doors that only You can shut. May the open doors give them opportunity to be Your voice and may the closed doors be their protection. Let there be thousands of salvations in the Olympic camps from all countries this year. In Jesus Name, amen.
