

**Government-** the **enemy** on the mountain is the Gigashites (represent corruption). The **principality** over it is Lucifer (pride and manipulation). The **basic mission** is to fill government positions with humble, servant leaders of integrity.

### **Prayer for Government/Military**

Dear Father, we bring the Mountain of Government and Military to you. We acknowledge, from Your Word (Isaiah 9:7), that there will be no end to the increase of Your Son's government over every nation, including ours. We seek an increase of Your Son's peace in the USA! We agree that the zeal of the Lord of host will bring order and establish judgment and justice forever. We thank You that mercy triumphs over judgment (James 2:13). And we thank You that You triumph over Your enemies.

Your hand is glorious in power. Your hand O Lord, dashes the enemy in pieces and in the greatness of your excellence, You overthrow those who rise against You (Exodus 15:6, 7).

Stretch out Your hand over America and lead her people whom You have redeemed in strength to Your holy habitation. Bless the State of Nebraska with righteousness. Redeem and protect the people of Nebraska. Spread the wings of Your love as a canopy of peace and send Your light and Your truth to its leaders. Direct them with Your good counsel. We ask for the leaders who will increase truth and righteousness in the land.

Father, You have allowed us a form of government in which power lies with the people first, and then with those we choose. May we be faithful in our civic duty to elect men and women who will hear You and lead from a godly perspective. Your word says, "If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him." (James 1:50). Our government often lacks wisdom. We cry out for wisdom in every chamber of law, office of power, and program created!

Lord, we thank You that our government was founded by godly people on godly principles. We ask You to draw us back to our roots; to be sure of our foundation. In obedience to Your Word, we offer up prayers and supplications for all those who are in authority. We pray that You would meet their individual needs, and that You would cause our leaders to govern in righteousness, so we could live out our lives in peace and honesty (1 Timothy 2:1, 2). We ask You to put the righteous in authority and let the people rejoice.

In obedience to Your Word, we desire to make disciples of all nations. Bless Your people Lord, and strengthen us to arise to this challenge. We pray that our nation would be known for following You. Let righteousness prevail in Jesus' Name.

O God, strengthen the defenders of our Land; grant them salvation and crown them with victory. Establish peace in the land, and everlasting joy for its inhabitants.

In Jesus' name - Amen!
